Chicago, Sept. 9.—When seen at his downtown office yesterday forenoon, Senator Lorimer refused flatly to discuss the attitude of Colonel Roosevelt concerning last night's banquet.

"I have received no official notification of the reports from Freeport," Senator Lorimer said, "and, until I do, will say nothing whatever regarding the matter."

Chicago, Sept. 9.—In view of Colonel Roosevelt's objection to the presence of Senator Lorimer at the Hamilton club banquet, the committee recalled the invitation to Senator Lorimer.

Chicago, Sept. 9.—Standing last night in the presence of 1,200 men, nearly all of them citizens of the state of Illinois and the majority of them prominent in politics and business life, Theodore Roosevelt brought his hearers to wild enthusiasm by his scathing denunciation of the political conditions in Illinois.

The great banquet hall at the Congress hotel never witnessed such a scene as followed the close of Colonel Roosevelt's address. The members of the Hamilton club and their guests stood on chairs and tables, waving handkerchiefs in the wildest manner, while they cheered the speaker at the top of their voices.

After his introduction, Colonel Roosevelt said that he was about to talk on debate matters, which nevertheless were matters to be treated only with directness. Following this, he took up the condition in Illinois politics described by witnesses in the present trial of Lee O'Neill Brown for bribery in connection with the election of William Lorimer to the United States Senate.

"Read that confession of those four members of that Illinois legislature, who have appeared in the case," declared Colonel Roosevelt. "Read the evidence obtained by the state's attorneys of two counties and know that Illinois politics cannot be cured by ignoring what is going on."

After ending his speech, Colonel Roosevelt attended a reception in another room of the hotel. As he left the platform, someone started a cheer for Joseph G. Cannon, speaker of the House of Representatives. This was kept up until Mr. Cannon arose. It had been rumored that in case any reference to him were made by Colonel Roosevelt, and to which Mr. Cannon took exception, an answer had been prepared. Colonel Roosevelt made no reference to that Illinois congressman.

Colonel Roosevelt and party left at midnight for Cincinnati.

**DECLINED TO MEET LORIMER****Col. Roosevelt Refused to Be Senator's Fellow Guest****HIS HOSTS ARE STARTLED**

Would Not Attend Banquet Unless Illinois Man's Invitation Was Withdrawn—The Invitation to Lorimer Withdrawn.

Freeport, Ill., Sept. 9.—Colonel Roosevelt refused flatly yesterday to attend the banquet to be given last night by the Hamilton club in Chicago, unless Senator Lorimer is excluded.

He demanded that a telegram to that effect be sent to the senator. Lorimer was expected to be one of the guests to be seated at the speakers' table.

A committee of 16 members of the Hamilton club, headed by former Judge John H. Batten, came to Freeport from Chicago in a special car yesterday and met Colonel Roosevelt, who is here to attend the county fair.

They came to make arrangements for the dinner last night. The committee met him at the fair grounds and the colonel at once asked whom was to attend the dinner.

"Is Speaker Cannon to be there?" he asked.

"Yes," Judge Batten replied.

"How about Senator Lorimer?"

"Senator Lorimer is a member of the club. He has accepted an invitation to the dinner."

"Then I must decline to go," said the colonel. He added that he would feel the same about the presence of Senator Lorimer as he would feel if members of the Illinois legislature, who are involved in the graft investigation, should be present.

The members of the committee told the colonel that they would go back to Chicago and inform Senator Lorimer of his views.

"No," Colonel Roosevelt replied. "Send him a telegram, tell him that I will not attend the dinner tonight if he is there."

The committee yielded to Mr. Roosevelt and recalled the invitation to Lorimer.

CAUGHT IN OWN TRAP.

H. O. Havemeyer, Jr., Arrested by Men He Set to Watch Speeders.

New York, Sept. 8.—Harry O. Havemeyer, Jr., who lives on the Theodore Havemeyer estate at Mahwah, N. J., has been caught in a trap he laid for others.

Last week he requested of Judge Demarest that four Bergen county constables be sent to Mahwah to stop auto speeding along the road which passes the Havemeyer estate and which road was built by the estate several years ago. It is a road much used by New York motorists on the way to and from Tuxedo.

The constables completed their work Tuesday and returned to Hackensack with the numbers of 50 autos. These numbers were given to Justice Bratt and summonses will now be issued. One of them will be for Harry Havemeyer, against whom there are three charges of speed violations.

Although paying for the services of the constables at Mahwah, as well as their hotel expenses, young Havemeyer will be summoned to court at Hackensack with the other New York motorists.

Havemeyer owns two high power machines and enjoys the distinction of having driven from his home to the Suffern depot on the Erie, a distance of three miles, in three minutes.

INDICTMENTS IN SIBLEY CASE.

True Bills Against the Former Congressman and Four Others.

Warren, Pa., Sept. 9.—The special grand jury which since last Monday has been investigating charges against former Congressman Joseph C. Sibley and

four co-defendants, in connection with Sibley's nomination as the Republican candidate for Congress at the June primaries, have returned true bills against each of the defendants. All are charged with conspiracy to bribe, defraud and corrupt voters of Warren county. Besides Mr. Sibley, who is ill at his home in Franklin, the defendants are Frank H. Taylor, his private secretary, George B. Munn, David M. Howard and C. D. Crandall, the last three of this county. Of the \$17,800 which Sibley's election expense account shows, he spent in Warren county, Crandall, it is charged, received \$13,800, and Howard \$4,000 for expenditures. Money that Munn is accused of having used, is charged to have been received through Crandall. Sorecery is maintained regarding the testimony before the grand jury, but it is understood that between thirty and forty witnesses were examined.

District Attorney French explained to Commissioner Hayes that the government had reason to believe that Jacques had obtained a large amount of imported goods for his own use free of duty by presenting orders from private without authority. Mr. French also said that some of the orders had been forged and that where was originally authority to take out a single vestment, Jacques had raised it to 12.

The special charge is that he fraudulently obtained certain articles for the Church of the Sacred Heart of Lacombe, N. H. Mr. French asked and obtained an increase in the amount of bail from \$2,500, fixed by the Worcester bail commissioner, to \$5,000. Sureties were furnished by Worcester business men.
